

YOUR FAVOURITE LOCAL KEEPS IT LOCAL!

BLACKBURN YOUTH ZONE

BECOME A PART OF THE BLACKBURN YOUTH ZONE

Ribble Valley Inns has always been proud to work exclusively with local suppliers. So it's only natural we're keen to keep it local when we support a charity too. That's why we invite you...our locals to help us raise funds for Blackburn Youth Zone.

With your permission, we will add just 20p per guest to your total bill...every penny of which will go to this life-changing project. We'll also provide regular updates of how much we've raised so you can see what a difference you've made.

Blackburn Youth Zone is a town centre youth project designed to provide an affordable, safe environment for the thousands of young people in Blackburn. This world-class Youth Zone, based in the heart of the town, will help our young people fulfil their potential, develop self-esteem and set them on the road to becoming responsible adults.
